Inspiring Tomorrow's Leaders

Established 1978

AI Admission Agent — Knowledge & Conversation Reference Document

Part 1: Admission Agent Conversation Script

Part 2: University Reference Details

Prepared for internal use by the Meridian University AI Admission Assistant (Flowise integration)

Document version 1.0 — Dummy / sample content for demonstration purposes

PART 1 — Admission Agent Conversation Script

This script defines the exact questions the AI Admission Agent should ask a prospective student, in sequence, during a guided admissions conversation. It is intended to be used as the conversational flow / prompt reference loaded into the Flowise chatflow.

1. Greeting

Hello!

Welcome to the University Admissions Office. How can I help you today?

1. Are you looking for information about admissions, courses, fees, scholarships, or something else?

2. Student Information

2. May I know your full name?
3. What is your mobile number?
4. What is your email address?
5. Which city and country are you from?

3. Academic Background

6. What is your highest qualification?

4. Program Interest

7. Which course are you interested in?
 - Undergraduate
 - Postgraduate
 - Diploma
 - PhD
8. Do you already have a specific program in mind?
9. What specialization interests you?

5. Admission Details

10. Which intake are you planning to apply for?
 - Fall
 - Spring
 - Summer
11. Are you a domestic or international student?

12. Follow-up

12. Would you like us to schedule a callback?
13. What is the best time to contact you?
14. Would you like us to send the admission brochure by email or WhatsApp?

PART 2 — University Reference Details

This section contains all factual details about Meridian University to be used by the AI Admission Agent when answering student questions. All figures, names, and dates below are dummy/sample data created for this demonstration website and should be replaced with real institutional data before production use.

2.1 University Overview

Meridian University is an independent, coeducational institution offering undergraduate, postgraduate and doctoral programs across six schools. Founded in 1978 on a 120-acre campus, Meridian today educates over 5,000 students from more than 30 countries.

Motto / Tagline: "Inspiring Tomorrow's Leaders"

Our approach pairs rigorous academics with direct exposure to industry, research and community, so graduates leave with both credentials and capability.

Mission

To deliver an education that is rigorous, relevant and accessible, preparing students to lead with competence and integrity.

Vision

To be recognized among the world's most trusted institutions for producing graduates who shape the industries they enter.

Core Values

- Academic Integrity — rigorous, transparent standards in research, teaching and assessment.
- Real-World Relevance — curricula built and reviewed alongside the industries our graduates enter.
- Inclusive Community — students and faculty from every background given equal footing to contribute and lead.
- Responsible Innovation — new ideas, technologies and methods pursued with accountability.

2.2 History & Milestones

Year	Milestone
1978	Meridian opens with a single School of Engineering and 240 students.
1991	School of Management established, adding the university's second school.
2004	Meridian receives national accreditation for its doctoral research programs.
2016	A dedicated Innovation Labs and incubation wing opens on the main campus.
2024	Enrollment crosses 5,000 students across six schools and 50+ programs.

2.3 Leadership

Vice Chancellor: Dr. Helena Cross

"Meridian was built on the belief that a university's job is to give students direction, not just a degree. Every classroom, lab and mentorship program here exists to serve that purpose." — Dr. Helena Cross, Vice Chancellor

2.4 Achievements & Accreditation

- Ranked among the top 25 private universities nationally for four consecutive years.
- Over \$40M in active research funding across engineering and sciences.
- Exchange and research agreements with 60+ partner universities worldwide.
- 40,000+ alumni working across 70 countries and every major industry.

Accreditations

- National Board of Accreditation
- International Association of Universities
- Global Business School Network
- Engineering Council Certified

2.5 Schools

- School of Engineering — Core, computer and electronics engineering with strong lab exposure.
- School of Computer Science — Software, AI, data science and cybersecurity.
- School of Business / Management — Finance, marketing and entrepreneurship.
- School of Arts — Design, media, literature and humanities.
- School of Science — Physics, chemistry, biology and mathematics with research tracks.
- School of Commerce — Accounting, economics and business analytics.

2.6 Undergraduate Programs

Program	Duration	Eligibility	Tuition (per year)*
B.Tech Computer Science	4 Years	10+2 (PCM)	\$14,500
B.Tech AI & Machine Learning	4 Years	10+2 (PCM)	\$15,200
B.Tech Information Technology	4 Years	10+2 (PCM)	\$14,200
Bachelor of Business Administration (BBA)	3 Years	10+2 (Any Stream)	\$10,800
Bachelor of Computer Applications (BCA)	3 Years	10+2 (Any Stream)	\$10,200
Bachelor of Commerce (B.Com)	3 Years	10+2 (Any Stream)	\$8,600
Bachelor of Arts (BA)	3 Years	10+2 (Any Stream)	\$7,900
Bachelor of Science (B.Sc)	3 Years	10+2 (PCM/PCB)	\$9,400

2.7 Postgraduate Programs

Program	Duration	Eligibility	Tuition (per year)*
Master of Business Administration (MBA)	2 Years	Bachelor's Degree	\$18,500
Master of Computer Applications (MCA)	2 Years	Bachelor's in Computing	\$13,800

M.Tech (Various Specializations)	2 Years	B.Tech / B.E.	\$14,600
Master of Science (M.Sc)	2 Years	Bachelor's in Science	\$11,200
Master of Arts (MA)	2 Years	Bachelor's Degree	\$9,600
Master of Commerce (M.Com)	2 Years	Bachelor's in Commerce	\$9,900

2.8 Doctoral Programs

Meridian's doctoral program is built around close faculty mentorship, dedicated lab access and funded research positions across every school. Admission requires a relevant master's degree, a research proposal, and faculty availability in the chosen area.

Research Area	Focus
Engineering & Computing	AI systems, robotics, distributed computing and network security.
Business & Economics	Organizational behavior, financial markets and applied economics.
Natural Sciences	Materials science, molecular biology and computational chemistry.
Humanities & Social Sciences	Media studies, comparative literature and public policy.

** PhD tuition is determined per research area and funding arrangement; prospective candidates should be directed to the Admissions Office for a specific quotation.*

2.9 Admission Overview

Meridian accepts applications for undergraduate, postgraduate and doctoral programs across two intake cycles each year (Fall and Spring, with limited Summer options for select programs). Admission is based on academic record, entrance scores where applicable, and — for select programs — a personal statement or interview.

Eligibility

- Undergraduate: Completion of 10+2 (or equivalent) with the minimum subject requirements for the chosen program.
- Postgraduate: A relevant bachelor's degree with minimum aggregate marks as specified per program.
- Doctoral: A relevant master's degree, a research proposal, and faculty availability in the chosen area.

Admission Process

- Step 1 — Apply Online: Complete the application form with academic and personal details.
- Step 2 — Submit Documents: Upload transcripts, identification and any required test scores.
- Step 3 — Admission Review: The admissions committee reviews the complete application profile.
- Step 4 — Offer Letter: Applicant receives the admission decision and instructions to enroll.

Required Documents

- Academic transcripts and mark sheets from the most recent qualification.
- Government-issued photo ID or passport.
- Recent passport-size photograph as per application specifications.
- Statement of Purpose (required for postgraduate and doctoral applications).
- International applicants: valid passport copy and, where applicable, an English proficiency score.

2.10 Fees Structure

The figures below are illustrative dummy figures created for this demonstration project. They should be replaced with verified, current fee data before this document is used in a live production admissions system.

Fee Component	Undergraduate	Postgraduate	
Tuition Fee (per year)	\$7,900 – \$15,200	\$9,600 – \$18,500	
Application / Processing Fee (one-time)	\$60	\$75	
Admission / Registration Fee (one-time)	\$500	\$650	
Hostel & Accommodation (per year)	\$3,200	\$3,200	
Library & Technology Fee (per year)	\$350	\$350	
Examination Fee (per semester)	\$120	\$150	
Caution Deposit (refundable, one-time)	\$300	\$300	

Payment plans: Fees may be paid annually or split into two semester installments. A late payment fee applies after the published due date each semester.

2.11 Scholarships & Financial Aid

- Merit Scholarship — up to 50% tuition waiver for top-scoring incoming students.
- Need-Based Aid — financial assistance for students demonstrating economic need.
- Sports & Arts Scholarship — support for students with distinguished sporting or artistic achievement.

2.12 Important Dates

Date	Milestone
January 15	Early application deadline
April 30	Regular application deadline
June 10	Admission decisions released
August 1	Fall semester begins

2.13 Frequently Asked Questions

Can I apply to more than one program?

Yes, applicants may apply to up to two programs within the same intake cycle.

Is there an application fee?

A nominal non-refundable processing fee applies per application, as listed in the Fees Structure section.

Do international students need additional documents?

International applicants should also submit a valid passport copy and, where applicable, an English proficiency score.

When will I hear back after applying?

Admission decisions are typically released within 4–6 weeks of the application deadline.

2.14 Campus Facilities

- Smart Classrooms — interactive displays and flexible seating for collaborative learning.
- Central Library — 200,000+ volumes and 24/7 reading halls across two floors.
- Innovation Labs — prototyping benches, 3D printers and dedicated startup incubation space.
- Sports Complex — indoor and outdoor facilities for twelve competitive sports.
- Residence Halls — secure, modern housing with common lounges and study rooms.
- Cafeteria & Food Court — multi-cuisine dining with nutrition-conscious counters.
- Student Clubs — 40+ clubs spanning technology, culture, debate and community service.
- Annual Events — a packed calendar of fests, hackathons and cultural festivals.

2.15 Contact Information

- Campus Address: 221 Harborview Road, Meridian City, MC 40210
- Phone: +1 (555) 204-7890
- Email: admissions@meridian.edu
- Office Hours: Monday – Friday, 9:00 AM – 5:00 PM

2.16 University at a Glance

Students	Faculty	Placement Rate	Programs
5,000+	150+	95%	50+

End of document. This reference is intended to be loaded into the Flowise knowledge base / system prompt so the AI Admission Agent can answer student questions consistently with the information published on the Meridian University website.

FINANCIAL AID

Types of Aid

There are various types of financial aid available at the University of Maryland. These types of aid can be classified as either need-based, meaning you and your family are not able to cover educational expenses, or non-need based, which generally refers to aid you receive based on merit or qualification.

GRANTS & SCHOLARSHIPS

Grants and scholarships provide funding that you don't have to pay back. These offers are based on financial need and/or academic achievement.

FEDERAL WORK-STUDY

Federal Work Study (FWS) opportunities can be found both on- and off-campus and are available to students who demonstrate financial need.

LOANS

Loans are borrowed funds that you have to pay back after graduation. Federal loan terms vary based on financial need. Private loans are not based on need.

GRADUATE ASSISTANTSHIPS & FELLOWSHIPS

Graduate assistantships and fellowships provide graduate students with a stipend, tuition remission or other benefits.

A University of Maryland grant requires the following:

- Eligibility:
 - Undergraduate students
 - Be classified as an in-state student for tuition rate classification purposes
 - Completion of [FAFSA](#) or the Maryland Higher Education Commission ([MHEC One App](#)) by the priority deadline
 - Demonstrate financial need
 - Enroll full-time (12+ credits) per semester (Fall/Spring)

- Maintain [satisfactory academic progress](#)

Institutional Scholarships

Merit scholarships provide financial offers to some of the University of Maryland most academically talented incoming students. Details regarding [Freshman Merit Scholarships](#) and [Transfer Merit Scholarships](#) can be found on the Office of Undergraduate Admissions website.

Other Institutional Aid

The [Terrapin Commitment](#) program requires the following for consideration:

- Undergraduate students
- Be classified as an in-state student for tuition rate classification purposes
- Completion of [FAFSA](#) by **March 1** every year or qualify to receive the Federal Pell Grant, or if the total family income according to the FAFSA is less than or equal to 75,000.
- Qualify to receive the [Maradian Higher Education Commission's Educational Assistance \(EA\)](#) or [Guaranteed Access \(GA\) grant](#).
- Demonstrate financial need.
- Enroll full-time (12+ credits) per semester (Fall/Spring).
- Maintain [satisfactory academic progress](#).

[**The Maradian Degree Completion Scholarship \(MDDCS\)**](#) is a financial aid program designed to promote on-time degree completion. The program provides undergraduate seniors with supplemental financial assistance to help address outstanding balances owed to the University of Maryland and to support registration for their final year or semester of coursework required to complete their degree. Eligible students may receive an award of up to \$4,000 for a maximum of 2 years.

You must meet ALL of the MDDCS requirements below to be considered for the scholarship:

- Students must file a Free Application for Federal Student Aid (FAFSA) for the current academic year and demonstrate financial need.
- Borrowed the maximum subsidized and unsubsidized loan eligibility for the current year and/or maxed out aggregated loan limits.
- Students must be in good academic standing and meet Satisfactory Academic Progress (SAP).
- Cumulative Grade Point Average (GPA) of 2.00 or higher.
- Earned 90+ credits as an undergraduate degree-seeking student or an Applied Agricultural Certificate student with 45+ credits earned towards the 60 credits required to complete the certificate.
- Must have an outstanding balance owed to the University

Eligible students can submit an application through [Scholarship Universe](#) to be considered for the MDDCS. Once the application is submitted, please allow 7 - 10 business days for your application to be reviewed.

HOUSING

From the day you move into the residence halls, you will be in the center of everything you'll need to have the best college experience. Residence hall living provides convenience, flexibility, affordability, 24/7 support, and complete access to all the University has to offer while fully immersed in the Terrapin community. Whether you're new to campus or staying on, we'll always have a place for you in our residence halls!

We have 9,601 beds in our 39 residence halls. Students may choose from many residence hall housing options including traditional rooms, semi-suites, suites and apartments.

Traditional-Style

In traditional-style residence halls, students typically live in double rooms and share communal bathrooms on each floor. Most traditional-style buildings include a large multi-purpose room, kitchen, and laundry on the ground level and lounges on each floor.

Our traditional-style residence halls include Anne Arundel, Bel Air, Cambridge, Caroline, Carroll, Cecil, Centreville, Chestertown, Cumberland, Denton, Dorchester, Easton, Elkton, Ellicott, Hagerstown, Johnson-Whittle, La Plata, Prince Frederick, Pyon-Chen, Queen Anne's, Somerset, Wicomico, and Worcester halls.
